**Membership Application Form**

The Dharug and Lower Hawkesbury Historical Society was formed in 1983 by people who had expressed an interest in understanding and learning more about the colourful history of the district - particularly the Macdonald Valley, Mangrove Creek, Wisemans Ferry and Lower Hawkesbury areas.

The Society obtained a Bicentennial grant to assist in the purchase of the Lower Hawkesbury Wesleyan Chapel and establish it as a local history centre. Built in 1855, this Chapel is the oldest intact stone church in the area. The Society also publishes several books on local history available for sale.

The Society has regular outings to places of historical significance and interesting talks, meetings and social functions at the Chapel. Outings and activities are generally planned for the last Saturday of each month.

Members include those who are researching local history, have a family connection with the district, want to learn more about the history of the area and those who simply enjoy a pleasant day in the company of other interesting people.

A regular newsletter is sent to members to keep them informed of Society developments, happenings and future events, and often contains articles on aspects of local history. If you have any information, documents or photographs you would be willing to allow the Society to have or copy, they would be most keenly received as it is important, not only for ourselves, but for future generations, that a record is kept of our exciting and special history.

The Society welcomes new members. Annual subscription is \$25 for singles and \$35 for households (max 2 adults / 2 children) and is due on 1 April each year. For further information, please contact Rob Cunneen – phone 0439 265 595 or email [secretary@dlhhs.org.au](mailto:secretary@dlhhs.org.au)
